Fewer than 100 patients completed the survey. Use the scores shown, if any, with caution as the number of surveys may be too low to accurately tell how an agency is doing.

Zero, or very few, patients met the survey's rules for inclusion. The scores shown, if any, reflect a very small number of surveys and may not accurately tell how an agency is doing.

Fewer than 100 patients completed the survey. Use the scores shown, if any, with caution as the number of surveys may be too low to accurately tell how an agency is doing.

No survey results are available for this period.

accurately tell how an agency is doing.

Fewer than 100 patients completed the survey. Use the scores shown, if any, with caution as the number of surveys may be too low to accurately tell how an agency is doing.

Zero, or very few, patients met the survey's rules for inclusion. The scores shown, if any, reflect a very small number of surveys and may not accurately tell how an agency is doing.

Based on Home Health Care - HHCAHPS

Fewer than 100 patients completed the survey. Use the scores shown, if any, with caution as the number of surveys may be too low to accurately tell how an agency is doing.

Zero, or very few, patients met the survey's rules for inclusion. The scores shown, if any, reflect a very small number of surveys and may not accurately tell how an agency is doing.

Fewer than 100 patients completed the survey. Use the scores shown, if any, with caution as the number of surveys may be too low to accurately tell how an agency is doing.

No survey results are available for this period.
